

Join Basketball Adventure at HKFC!

#### First Bounce (18 Months - 4 Years)

This programme is aimed at our youngest basketball players! First Bounce classes focus on developing key motor skills such as balance and coordination while playing basketball themed games in a fun atmosphere. The main aim of the programme is to encourage children to learn the basics of the sport at an early age and to feel comfortable in a class environment that will benefit in their future basketball careers!

#### Basketball Adventure (5+ Years)

Basketball Adventure is the programme where the concepts of team basketball, along with individual skills, are introduced and developed to advance players to compete. Classes develop on the basic motor skills learnt at a younger age and apply them to drills that develop the fundamental skills of basketball, such as shooting, passing, dribbling and catching. Younger classes will also begin to introduce the general rules of the game in order to play full matches, while later classes will introduce and develop tactics that will help the team to better overcome opponents.
